## Frozen Coconut Water Concentrate

We produce only 100% pure and consistent high-quality products with:

- No added sugar
- No preservatives
- No stabilizers

### PRODUCT

Frozen Coconut Water Concentrate (CWC) is from the slightly hazy raw coconut water inside mature coconuts and contains essential electrolytes (calcium, potassium, phosphorous, magnesium and sodium). The water undergoes a proprietary multi-stage evaporation process which preserves its natural taste and nutrients. The 60° Brix concentrate has the lightest color in the industry.
